I've seen American weddings and Indian weddings, but nothing really matches my personality. Do you know any other kinds of weddings? Sure there are many kinds of marriage ceremonies. The most popular ones are the civil wedding ceremony (which is the one that most people get), Eastern Orthodox wedding ceremony, Baptist or Methodist or Lutheran wedding ceremony, Hindu or Jewish or Muslim wedding ceremony... But if you prefer something different than these traditional ones, even though they're still very popular there's also some less-known alternatives like Native American Indian Wedding Ceremony. How am I going to spend my honeymoon? With a diverse selection of places available, you can choose from a Caribbean beach wedding in Jamaica, to a medieval wedding ceremony in Ireland. There are also various themes for your choice, availability of places is endless. What date are you looking forward to? I'm not sure yet about the actual date of the wedding. I still want to spend some time to think about it. Is there any hotel packagings in Ireland suitable for me? Yes indeed there are many hotels available, both at cities and in countryside areas. We recommend you to book the one which suits your style and make your stay memorable full of memories. Does a religious ceremony mean that I don't have to invite my in-laws? Do not worry, you can still invite your in-laws. In my country, I have been dropped from my mother's children and father's children list. Now we're not even on the phone and we don't write each other for several years. I feel very lonely and bored all of the time. Can we get our family back together? Is it possible to get the old beautiful relationships back? Alcohol is bad for health and it creates many social problems such as crime and abusive relationships... But sometimes alcohol is so good for social life such as parties and such... But I hate to drink or smoke cigarettes.... How can I be free from this problem? What should I do? Your first priority should be your safety. Alcohol or drug abuse can lead to many problems including illness, accidents, and law problems. If you often find yourself under the influence of alcohol or drugs, you should seek help immediately. Delay can bring serious consequences. If you are suffering from addiction, counseling is strongly suggested to overcome the problem. Some people may take medicine to counteract the drug effects before entering counseling or during counseling period.
